Explanation - This amendment reduces state special revenue funding for the Montana Consumer Counsel by \$5,919 in FY 2008 and \$6,039 in FY 2009 (\$11,958 for the biennium). The global motion adopted by subcommittees at the beginning of the budget process related to funding the personal services statewide present law adjustment at a level including adjustments for selected items resulted in an increase in personal services funding for this agency. This amendment returns funding for personal services to the level requested by the agency.
